TELEPHONE	0186620573	EMAIL	thayarama21@gmail.com
SUPERVISOR'S NAME	Dr Siti Sabariah Binti Abas		
PROJECT TITLE	Go-Campus (Dynamic Campus Shuttle Tracking and Load Monitoring System)		

LOG ACTIVITIES

WEEK	MEETING DATE	NOTES / DISCUSSION	SUPERVISOR SIGNATURE
2	12/10/2025	The Final Year Project presentation session commenced as scheduled, marking an important milestone in the progress of the project. Prior to the start of the presentation, words of encouragement and support were received from the supervisor, which helped to boost confidence and motivation. This guidance served as a positive reassurance before delivering the presentation and sharing the project work with the evaluation panel. 	
2	13/10/2025	The first meeting with the supervisor was held at the supervisor's office in Building D2, Faculty of Informatics & Computing. During this initial session, several proposed final year project titles were presented to Dr. Siti Sabariah for discussion and evaluation. The meeting served as an important starting

		point to gain the supervisor's feedback, clarify expectations, and determine the most suitable direction and next steps for the project course moving forward.	
2	18/10/2025	The final project title selection was discussed with Dr. Siti Sabariah via WhatsApp while the supervisor was away on official duty. During this communication, guidance and confirmation were received to ensure the chosen title was appropriate and aligned with the project requirements. Following the supervisor's approval, the finalized project title was subsequently submitted into the Integrated Assessment System (SPB) UniSZA before the application deadline on 18/10/2025, ensuring timely completion of the official registration process.

3	23/10/2025	Feedback was received from the supervisor regarding the project title, and it was noted that certain modifications and improvements were suggested in accordance with the recommendations provided by the Final Year Project Coordinator. These adjustments were mainly intended to enhance the clarity, relevance, and overall quality of the title, ensuring that it accurately reflects the project scope and meets the academic requirements set for the Final Year Project.	
4	26/10/2025	The project title was finalized and confirmed in preparation for the first Final Year Project 1 (FYP 1) presentation, which is scheduled for 11/11/2025. This finalization

		marked an important milestone in the project development process, ensuring that the title accurately represents the project objectives and scope. Completing this step also allowed the project work and presentation materials to be aligned properly with the approved direction before the upcoming evaluation session.	
6	9/11/2025	A pre-presentation meeting with the supervisor was conducted in preparation for the first Final Year Project 1 (FYP 1) presentation, scheduled for 11/11/2025. During this meeting, the supervisor provided detailed feedback and guidance, which was used to make final refinements and adjustments to the presentation materials. These improvements focused on enhancing clarity, ensuring proper organization of content, and aligning the presentation with the project objectives, ultimately helping to ensure a polished and well-prepared delivery for the upcoming session.
